## MOST PRECIOUS BLOOD

a Catholic Parish in the Archdiocese of Southwark  
in the Pastoral Care of the Ordinariate of Our Lady of Walsingham

### 28TH SUNDAY IN ORDINARY TIME

10th October 2021

**In the gospel reading today**, we hear of the poverty of riches! Rich people are often too pre-occupied with their worldly possession to follow Christ. He tells us that those with riches find it hard to enter the kingdom of God but the most important thing in the world is to be wise through God's word and see wealth in its proper perspective. We will then appreciate the richness of poverty for Christ's sake.

**Social Distancing in MPB** is possible if you sit on the left side of Church where the tapes will remain for a little longer. All pews on the right are now available. Thank you for being conscientious.

**A gentle reminder** to use face-coverings in Church. We know that you go to the pub, the shops and everywhere else, but some at Mass can't ask you, and they are still vulnerable. So please be considerate

**Weekday Mass** times are likely to be disrupted now and again. Check this newsletter for accurate Mass times. We will certainly try to maintain the regular schedule.

**The Catholic Herald** has gone from a weekly to a monthly publication. There are some free trial copies available at the back of Church.

**Annabel & Abigail** are to be baptised today and so become Catholics. We welcome them and their family and friends. 12.15pm

**Assisted Suicide Bill** is before the British Parliament. The Bishops have asked us to pray, contact and inform those in Parliament to preserve Human Life and defeat this Bill.

**The Young Adults Group** will recommence meeting, now in real life. We are planning a monthly gathering. The first on Thursday 4th November at 7.30pm. You should receive an email soon, or more info from Lucia.

**Our Parish and Finance Council** have not met for a while so will re-commence soon. There are lots of developments taking place at the moment: get involved and bring what you have to offer for the Gospel. See FrC.

**School Application** are due in by half term. Please bring the *priest's reference* to FrC asap to get them turned-around before then.

**Canon Richard Hearn**, Dean of St George's, died unexpectedly last Thursday evening after a short illness, he was 56. Please keep him and his family in your prayers. *Lord have mercy...*

**Synod 2023** is an initiative of Pope Francis for a Church working towards '*Communion, Participation, Mission*'. We need two parish volunteers. It's a very tight schedule, so please see FrC asap. More overleaf.

**The three manual pipe organ** is due to be installed this week, in just a week (although it's been eight years in the baking!). There's quite a bit of kit in Church today.

**Cleaning Church** has got a little out of the usual routine. Many hands make light work. Would you be willing lend a hand and/or co-ordinate the team?

**Missio**, is the Holy Father's mission charity: a second collection next week.

Pope Francis has asked the whole Catholic Church worldwide to engage in a process of discernment under the guidance of the Holy Spirit. This process is called a synod. It involves everyone in the Church - clergy, religious, and lay Catholics, each participating according to the gifts and charisms of their vocation. The English word *synod* means making our way tougher, journeying together along the way, united in Christ, the Way, the Truth and the Life.

As everyone journeys together, listening first to the Lord in their heart and them speaking openly and listening with each other, we learn to hearthe voice of the Lord speaking to us. Pope Francis describes it like this: 'Synodality is a style, it is a walk together, and it is what the Lord expects from the Church of the third millennium' (Address to the International Theological Commission,29 November 2019).

The Synodal Process we are undertaking is guided by a fundamental question:

*How does 'journeying together' take place today on different levels (from the locallevel to the universal one), allowing the Church to proclaim the Gospel? And, whatsteps is the Spirit inviting us to take in order to grow as a synodal Church? (PD 2)*

In our Archdiocese, the Archbishop is inviting everyone to respond to the invitation of Pope Francis and take part in the initial diocesan listening phase of the Synod. Each local parish is asked to host a meeting, or series of meetings, where conversations about the Church's mission in the life of the parish and the diocese can beprayerfully examined; and where the will of the Lord can be discerned, as we seek to grow in faith and number.

Coming together in this way, we place ourselves in the presence of the Lord, and one another, to hear His voice more clearly. All of this is done to help us to witness more effectively as missionary disciples in our parish and diocese as the Local Church.

We would like every parish to have two delegates to enable this process. We also, there-

fore, offer guidance about how you might approach the selection of your parish delegates.

Every person matters to the Lord and his Church, every voice matters andevery story is important.

To help in gathering together people from across the life of the parish and community, we have also included some commonly asked questions to help explain the Synodal Way and to encourage people to enter into this vital period of discernment.

### **Selecting a Parish Delegate**

We recognise that potential candidates may not be obvious. No candidate is perfect. To help you prayerfully discern suitable delegates from your parish, the Agencyfor Evangelisation and Catechesis offers the acronym FACT (Faithful, Available, Contagious and Teachable).

These criteria are used in our selection of Deanery Mentors and are recommended forthe selection of Parish Leads as part of the *Some Definite Service* missionary initiative.

You may wish to apply the same criteria to your selection of delegates or nominate those within your parish who are already Deanery Mentors and Parish Leads (particularly for evangelisation) to undertake this task.

Here is a brief breakdown of all four categories using keywords to pinpointthe characteristics that describe each aspect.

<b>F Faithful</b>	Seeking holiness, fully believing, prayerful, sacramental life
<b>A Available</b>	Showing up, committed, initiates, invitational
<b>C Contagious</b>	Approachable, open, joyful, authentic, witness
<b>T Teachable</b>	Humble, listens, magnanimous, impactful

Is that you? Can you nominate someone?
